

HOW TO CREATE A CITIZEN ACCOUNT ON VOILÀ

To create an account on your citizen portal, to consult your tax bill or make online requests, for example, go to [Sainte-Anne-de-Bellevue's portal](#) and click on the link "Register" in the "Registration" section.

Fill out the registration form with your personal information, and click on "create my account".

And Voilà! You will automatically access your citizen profile and be able to consult city news, event calendar, your property information and more!

The screenshot displays the Voilà! web application interface. At the top, there is a header with the PG Solutions logo and a user profile icon. Below the header is a navigation bar with icons for ACCUEIL, PROPRIÉTÉ, DEMANDES EN LIGNE, and NOUS JOINDRE. The main content area is divided into two sections: 'Actualités récentes' and 'Calendrier'. The 'Actualités récentes' section features a news article titled 'QU'EST-CE QUE VOILÀ!?' with a 'LIRE LA SUITE' link. The 'Calendrier' section shows a calendar for February 2019 with the 28th highlighted, and a corresponding event card for 'Premier versement de taxes municipales' with an 'EN SAVOIR PLUS' link.

You just moved? – No need to create another account!

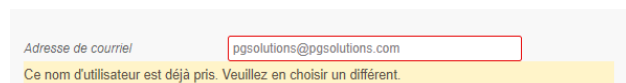

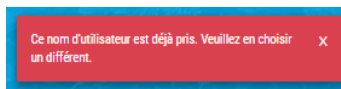

If you just moved and your previous city also used Voilà, no need to create a new account. Use the same username and password to connect to Sainte-Anne-de-Bellevue's portal and voilà!

* You still have to register to the Recreation department if you wish to use that service.

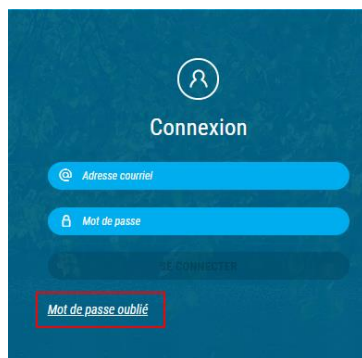

The system gives you an error message stating that this username is already taken? - You are unique in our eyes!

If the system returns an error message indicating that the username (your email address) is already in use, you probably have already created an account on a Voilà! portal in another city or we already have an account with this email address at the recreation department (if you used it to register to the day camp, for example).

If you don't remember your password, use the "Forgot password" link and enter your email address to receive an email to reset your password.

An automated email will be sent to you in the following minutes and you will be prompted to answer your secret question. If you do not have the answer to your secret question, contact the city for further assistance.
